ABOUT GC PLUS SUMMER SCHOOL

GC Plus Summer School is a qualification programme addressing doctoral researchers at the University of Duisburg-Essen.

Successful academic careers require not only outstanding research results and a deep level of expertise in the respective academic fields, but also a set of transferable skills.

Our Summer School supports early career researchers with training of these key competencies. It aims at strengthening your self-confidence and coping skills, thus enabling you to better communicate your achievements within the academic community and to strategically develop your own career paths.

All ten workshops will be held in English, aiming at cultivating and raising awareness for intercultural and interdisciplinary issues.
