<b>Course Selection/Procedure</b>	The student will select her/his courses before arriving at Sciences Po Lille.

<p><b>Our Academic programs</b></p>	<p>As international exchange student, they will be able to choose between <a href="#">3 different programs</a></p> <p>Please note that all courses are graded separately and each provides a set number of ECTS which can be viewed in <a href="#">our courses catalogue</a>. The courses catalogue for the following academic year is published in July.</p> <p><a href="#"><u>Exchange students program</u></a></p> <p><a href="#"><u>Certificat d'Etudes Politiques (CEP)</u></a></p> <p><a href="#"><u>Certificate of European and International Studies (CEIS)</u></a></p>
<p><b>Course Load per semester</b></p>	<p>All depends on the needs of the students. Please note that most of the courses are worth 5 ECTS or 6 ECTS.</p>
<p><b>Language of Instruction</b></p>	<p>A majority of courses are taught in French language. We propose enough English taught courses for students with no French to complete an entire semester (or academic year). We also offer 4-5 courses in Spanish each semester.</p>
<p><b>Campus Facilities and accommodation</b></p>	<p>Our Institute is not located on a campus so we cannot provide/secure accommodation for students. But Lille is a great metropolis which offers many facilities and lodging for students. SPL proposes a housing platform which provides many options for exchange students: <a href="http://www.sciencespo-lille.com/housing-solutions">http://www.sciencespo-lille.com/housing-solutions</a></p>
